In the event the Board determines that the performance of Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, the specific instances of unsatisfactory performance. A copy of the written evaluation shall be delivered to Superintendent. Superintendent shall have the right to make a written response to the evaluation. The Board's evaluations and Superintendent's response(s) shall be totally private and in no manner become public knowledge or conversation, unless the Board exercises its right to terminate or suspend the Superintendent in accordance with the School Code. The parties shall have the right to mutually waive a formal performance assessment in any year of the Agreement provided; however, that Superintendent shall not be subject to discipline or discharge on the basis of neglect of duty in any year when a formal performance assessment is not completed.

C. The performance assessment shall be used for the following purposes:

1. To strengthen the working relationship between the District and Superintendent;
2. To clarify for Superintendent and individual members of the Board of School Directors the responsibilities the Board relies on Superintendent to fulfill; and
3. To discuss and establish goals for the ensuing year.

7. Investigations by the Board.

In the event that a School Director believes a formal investigation is required of the Superintendent's conduct or performance, an initial executive session shall be held in accordance with Board Policy to determine if such an investigation is warranted. The Superintendent will not be present at and may not be informed of the initial executive session. In the event that the Board of School Directors determines and directs that any investigation of Superintendent's conduct or performance be undertaken, Superintendent shall be: (i) notified of the occurrence and purpose of such investigation prior to the commencement of the same; (ii) granted access to all documents or reports generated by such an investigation and; (iii) granted the opportunity to respond, verbally or in writing, to any documents, findings or conclusions derived from such an investigation prior to the investigation being concluded. Any investigations undertaken by the Board shall be completed in private without any public disclosure by the Board or Superintendent of the commencement or progress of the same. Notwithstanding the foregoing, should the Board elect to take formal action to suspend or terminate the Superintendent, such actions are required to be undertaken at a public meeting. Nothing herein shall obligate the Board to share attorney-client privileged or work product information with Superintendent following the completion of any investigation of her conduct or performance.

8. Discharge or Termination.

- A. Mutual Written Agreement of Superintendent and Board. This Contract may be terminated by mutual written agreement of the Superintendent and the Board. There need not be any cause. In such event, the Board may pay Superintendent's salary and provide normal benefits through the effective date of termination and will have no further obligation for salary, benefits, or any other item under this Contract after the effective date of termination.
- B. Disability of Superintendent. If Superintendent is unable to perform all of Superintendent's regular duties because of a physical or mental incapacity, for a period of ninety (90) consecutive days or for a period of one hundred twenty (120) days during any one (1) calendar year period, the Superintendent will be considered disabled, and the Board will terminate this Contract by providing written notice to the Superintendent. In such event, prior to termination, Superintendent will be subject to the Board's normal policies concerning the use of sick leave days, vacation days, and personal leave days, and the Board will have no further obligation to compensate Superintendent for salary, benefits, or any other item under this Contract after the effective date of termination.
- C. For Cause. The Board may remove Superintendent and terminate this Contract pursuant to the procedures set forth in School Code Section 1080 for cause. For purposes of this Contract, "cause" shall mean the reasons set forth in the School Code Section 1080, the reasons set forth in other applicable law that requires termination of employment, or misstatement of a material fact concerning Superintendent's qualifications in connection with Board's employment of Superintendent. The Board shall not arbitrarily or capriciously call for her dismissal and the Superintendent shall, in any event, have the right to written charges, notice of hearing, and a fair and impartial hearing, all elements of due process, and the right to appeal to a court of competent jurisdiction. At any such hearing before the Board, the Superintendent shall have the right to be present and to be heard, to be represented by counsel, and to present witnesses and testimony relevant to the issue. A transcript of the record of proceedings before the Board shall be made available without charge to the Superintendent in the event an appeal is taken by the Superintendent from any action taken by the Board. Superintendent shall have the right to be represented by counsel at her sole cost and expense. Provided, however, should the Superintendent prevail in any hearing or appeal, the Board shall reimburse her for all legal fees incurred in any action. If the Superintendent has been given notice of charges and of a hearing, the Board reserves the right to suspend the Superintendent, with or without pay, at the discretion of the Board, pending a hearing and final decision. If the Board terminates this Contract for cause, the District will have no further obligation to compensate Superintendent for salary, benefits, or any other item under this Contract after the effective date of termination or any earlier suspension without pay.

- D. Resignation. In the event that Superintendent seeks to resign or separate her employment with District for any reason other than death, illness, or disability, Superintendent shall give District at least one hundred eighty (180) days' written notice in advance of the employment severance date. The failure of Superintendent to give such required notice shall cause Superintendent to lose any entitlement to any unused but accrued payments that may be offered pursuant to the fringe benefits describe in Exhibit "C" herein.
- E. Death During Employment. If Superintendent shall die during the term of her employment, Board shall pay to the estate of Superintendent the compensation which otherwise would be payable to Superintendent up to the end of the month in which Superintendent's death occurs. Thereafter, except for the Board's agreement to pay any life or disability insurance benefits, which are payable upon the death of Superintendent, through Board-owned or controlled policies required under this Contract to Superintendent's stated beneficiaries, Board shall have no further responsibility hereunder, and this Contract shall terminate automatically.
- F. Severance of Agreement. If any issues arise that could be determined by the Board as a basis to terminate this Contract for cause, then the parties may elect, in lieu of litigation, to sever this Contract and to terminate their relationship.

If such termination were to take effect two years or more prior to the end of the current term of this Contract, then the maximum severance compensation payable by the District to the Superintendent shall be limited to the equivalent of one year's total compensation and benefits due under the Contract, as calculated for the current year of the term.

If such termination were to take effect less than two years prior to end of the current Contract term, then the maximum severance compensation payable by the District to the Superintendent shall be limited to the equivalent of one-half of the total compensation and benefits due under the Contract for the remainder of the current term.

In either instance, the following shall apply:

- (1) The PSERS reporting, payments, and credit cannot be extended beyond the severance date;
- (2) Health care benefits shall not be extended beyond the end of the month during which severance occurs; and
- (3) Any salary shall be paid in a lump sum, as part of a regular payroll, as soon as practicable following the date of severance.

9. Professional Liability.

The Board agrees that it will defend, hold harmless and indemnify Superintendent from any and all demands, claims, suits, actions and legal proceedings brought against

Superintendent in her individual capacity or in her official capacity as agent and employee of the District provided the incident arose while Superintendent was acting within the scope of her employment and as such liability coverage is within the authority of the Board to provide under state law. This duty of indemnification shall not extend to those actions of the Superintendent beyond the scope of the Contract or the parameters for her established hereunder.

10. Reappointment.

The Board shall provide Superintendent with periodic opportunities to discuss the Superintendent-Board relationships and shall inform her at least annually of any inadequacies perceived by the Board. During the last year of the term of this Contract, the Board shall consider whether it intends to retain Superintendent for another term. At a regular meeting of the Board, occurring no less than one hundred and fifty (150) days prior to the expiration of the term of the Contract, the agenda shall include an item requiring affirmative action by five or more members of the Board to notify the Superintendent that the Board intends to retain her for a further term, intends to extend the term of this Contract for not more than one additional year, or that other candidates will be considered for the office. In the event that the Board fails to take such action, the Superintendent shall continue in office for an additional term of four (4) years under the same terms and conditions of this Contract in effect during its fourth year. If the Board makes a decision to extend the term of this Contract or to offer another contract to the Superintendent, the Board shall notify her in writing with the details of the offer.

11. Modification.

Notwithstanding any term or provision herein or elsewhere, oral or in writing, this Contract shall not be modified except in a writing signed by Superintendent and approved by the Board and executed by an authorized officer of said Board.

12. Obligations.

This Contract shall be binding upon and shall inure to the benefit of the parties, their successors or assigns.

13. Applicable Law and Jurisdiction.

This Contract shall be construed in accordance with the laws of the Commonwealth of Pennsylvania. The Court of Common Pleas of Chester County, Pennsylvania shall have jurisdiction and venue over any disputes arising hereunder.

14. Severability.

If any sentence, clause, section or part of this Contract is, for any reason, found to be unconstitutional, illegal or invalid, then such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses, sections or parts of this Contract.

15. Statutory Reference.
